TOWN MEETING WARRANT

State of New Hampshire

To the inhabitants of the Town of Bath qualified to vote in town affairs. You are notified to meet at the Town Hall in Bath on Tuesday, March 8, 1966, at ten o'clock in the forenoon to act upon the following subjects:

Article 1. To choose a Town Clerk, one Selectman for three years, on Trustee of the Trust Funds for three years, one Library Trustee for three years, a Treasurer, an Auditor, a Highway Agent, and all other necessary officers and agents for the ensuing year.

Article 2. To hear the reports of officers and agents heretofore chosen and to pass any vote relating thereto.

Article 3. To see how much money the Town will vote to raise and appropriate for town officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of the poor, for the support of the Library, for Old Age Assistance, for the protection of the public, and all other necessary town charges and expenses for the ensuing year.

Article 4. To see if the town will vote to accept State aid for the construction of Class 5 roads and to raise and appropriate or set aside the sum of \$849.73 and the State will contribute \$5,664.88 for the same.

Article 5. To see if the Town will vote to raise and appropriate a sum larger than that of 500 dollars in the budget for the support of the Cottage Hospital.

Article 6. To see if the town will vote to raise and appropriate the sum of 30 dollars to join the New Hampshire Municipal Association.

Article 7. To see what action the Town will take on the following question: Shall the provisions of the laws relative to the playing games of beano be adopted in this town?

Article 8. To see if the town will vote to petition the Tax Commission to have an audit made by the Municipal Accounting Division and to make an appropriation to cover the expense of such audit.

Article 9. To see if the town will vote to dispense with the delivery of inventory blanks until April 1st.

Article 10. To see if the town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Tax Collector's Deed.

Article 11. To see if the town will authorize the Selectmen to borrow money in anticipation of taxes.

Article 12. To transact any other business that may legally come before this meeting.

Given under our hands and seals this 27th day of January, 1966.

During the past year twenty-one families and individuals have given books, and seventeen have given magazines or magazine subscriptions. I wish that space permitted the listing of the names of donors; their ages run the gamut of nine to ninety, from this community to Vermont and Pennsylvania. A good proportion of our gift books are non-fiction, biographies especially. One-hundred-twenty-two duplicates were sent to the Swiftwater Library. With the increasingly great number of requests for reference material from students, we are very grateful for the additional help. This year we have the "Abridged Reader's Guide to Periodical Literature" which greatly facilitates research. Our resources are supplemented by the Bookmobile, the newly established state extension library at Littleton, and the State Library.

Your generosity and cooperation also made the Bicentennial library exhibit a source of interest and en-

joyment. Again I wish that it were possible to list the names of those who loaned, and, in many instances, gave photographs of old landmarks, portraits, snapshots, deeds, old records, and copies of Bath's newspaper, "The Contest." Some 425 visitors signed the guest book that weekend.

Mrs. Russell Armstrong has given the library a record player which we intend to use for story hours and for musical programs for the children.

REPORT OF HEALTH OFFICER TOWN OF BATH, N. H.

For Year Ending December 31, 1965

This past year again the infants and preschool children of Bath were included in the Well Child Conferences of either Woodsville or Lisbon for physical examination and immunization against whooping cough, tetanus, diphtheria, polio and smallpox. This coming year we hope to include the measles vaccine.

Booster immunization shots for diphtheria and tetanus were provided for pupils in grades 1-4-8. We plan to do these same grades every year to keep the children protected against these two diseases while they are in school.

Home visits by the state public health nurse were made to infants and preschool children for correction of defects.

This is the year when "Medicare" will come into effect. Starting July 1, 1966 home nursing will be paid for by Medicare for those who are covered, over 65 years of age and in need of nursing care in the home after discharge from the hospital. With Medicare it is anticipated that there will be a shortage of hospital beds making the hospital stay shorter and requiring nursing care at home. For this reason we are urging the town fathers to start planning to provide this type of service, and to discuss means for hiring a local Public Health Nurse. Health Education, Prevention of Disease by teaching proper Immunizations, Care of the Sick and Rehabilitation of the Aged are all nursing services needed in each and every town. The state nurse covers 15 towns so would not be able to do this work. The possibility of combining small towns together to be serviced by one nurse except Woodsville,

Monroe and Bath is feasible and would be less costly. The office of Economic Opportunity, with headquarters in opera block Woodsville, may be able to assist with funds to start this project. This possibility could be investigated.

Tax money is used for schools, road maintenance, police and fire protection. Healthy citizens should be as important if not more, because without health we cannot function.

My sincere thanks for the cooperation received.

Respectfully submitted,

LORETTA B. RUSSELL, R.N.
State Public Health Nurse

BICENTENNIAL COMMITTEE REPORT

The Bicentennial Committee commenced work on the Bath Bicentennial in earnest in August of 1964. Subcommittees were set up and the plans and the work began. Five citizens signed a note and we received a loan from the bank for \$1,000.00.

With this money we purchased five hundred copies of Father Sutherland's History of Bath of 1855. These reprints were published by the Harrison Publishing Co. of Sugar Hill, N.H. We also purchased plates and souvenirs under the direction of Bess Reed, and began selling these in the Fall of 1964. This put us in business and a few days before the Bicentennial we were able to begin the sale of the new Historical Notes of Bath. This book was under the direction of Mr. Stearns Morse and printed by the Courier Printing Company, containing some thirty pictures and the ramblings of some ten people.

The Bicentennial proper was on Friday, Saturday and Sunday, July 23, 24 and 25. On Friday evening a program of slides from old pictures and the narration accompanying it brought many pleasant memories to the older people; and much valuable information to the younger generation. This program was under the direction of Ray Burton and Evelyn Battis, and was of such success that it became necessary to repeat it on Sunday evening.

Saturday was a full day with Band, Parade, and speeches by Congressman Cleveland and Senator Cotton and others. The Bath School House was full of interesting antiques, paintings and handiwork of Bath and Bath friends.

There were games for the young on the school playground. Almost everyone in town and many outside its borders contributed something to the success of this grand event, and tribute to the first settlers.

Sunday Go-to-Church filled the church to hear our native Preacher, son of Bath and descendant of one of the first settlers, John Sargent, deliver a message that only a native of Bath could have given.

It would be impossible to name everyone who had a part in this event. We could not accomplish this by naming everyone in town as so many former residents and friends had some part in this great success. Our thanks and good wishes to all of you. We are also proud of the financial success of this event as our treasurer's report will show. We have on hand books old and new which give you a fairly comprehensive history of Bath, N. H.

We do not hesitate to say that we doubt that any town can produce as grand a three-day program for as small a cost to the taxpayer as the one at Bath on July 23, 24 and 25, 1965.

We wish to thank everyone for their part in the success of this Grand Bicentennial, to the many friends and former residents who attended, and to all who contributed in any way to this grand event.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 P.M.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carlessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

Program of the White Mountains Region Association 1965 (28th year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 33,317 individual folders by mail. The balance was distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Out-standing Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member inn-keepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School district in the town of Bath qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the Ninth day of March, 1966, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the ap-

propriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to adopt a plan for extending to employees of the School District the benefits of Title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$33.69 to defray the School District's share of the cost thereof.
10. To see if the School District wishes to exclude from the plan services in any class or classes of positions filled by popular election.
11. To see if the School District wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.
12. If a plan for Social Security coverage is adopted, to see if the School District will authorize the School Board to execute on behalf of the School District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the School District will designate the School District Treasurer as the officer to be responsible for the administration of the plan.
13. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
14. To see if the district will vote to authorize the application of any unanticipated income to expenses.

15. To transact any other business that may legally come before said meeting.

Given under our hands at said Bath this 11th day of January, 1966.

1965-1966

As your superintendent approaches the mid-point in his first year of tenure, he has observed many problems facing education in this area but the one single greatest dilemma is: "How are we going to continue supporting public schools with costs rising at such a rapid rate?" No one has the answer but one fact we all recognize—we have children and they must be educated to live in an atomic age that was inconceivable twenty years ago.

Our educational responsibilities are only beginning when we consider the rate at which man acquires knowledge. It is estimated that knowledge doubled for the first time at about 1700; again around 1900; the third doubling occurred about 1950; and the fourth in 1960. If it is true that we are now gathering new knowledge at such an astounding pace that we are doubling the world's gross supply of information every ten years, then the educational process may soon find itself under overwhelming stress. New ways of learning must be rapidly developed and installed in the schools if we are to maintain an intellectual balance between the acquisition and absorption of new knowledge.

Another factor which is often overlooked by many of us is the influence that technology has had on our everyday life and especially education. The technology of the 1960's has created a society which is far from stable. Spectacular breakthroughs in science and computer technology have generated an atmosphere of

rapid and accelerating change. Evidence of a changing society may be seen at every turn. Even the relatively new concept of automation is giving way to a newer process called cybernation.

In order for all of us to become aware of the why's and wherefore's of financing education, we must become aware of the magnitude of the extravagant changes which are taking place in society. Our children must compete intellectually and as citizens in a society that changes day to day. To keep pace, our educational system must continue to improve in the future. All of this will require more thinking and planning on the part of the educational profession and more money from the citizenry. There are two ways to get to the top of an oak tree. One is to climb it, the other is to sit on an acorn.

May I take this opportunity to thank the school board, teaching staff, and citizenry of Bath for their fine support during this first year.

The report of Mrs. Muriel LaMott, R.N., follows.

Respectfully submitted,

NORMAN H. MULLEN
Superintendent of Schools

Four pupils were examined at the Littleton Pediatric Diagnostic Clinic during the year.

On pupil was examined at the Hanover Orthopedic Clinic.

In the fall of 1964, a representative from the Crest Company met with Mr. Bennett, Dr. Edwin Jamback, and myself to discuss the Educational program that Crest was offering to the Elementary schools. After the meeting, it was decided to take advantage of this program. The Crest Company furnished educational materials for grades 1-8. Grade III pupils received the Dental Instruction Kit designed as a tool for teaching Dental Hygiene in the Classroom. The Kit contained: toothbrush, Disclosing tablets, and Crest toothpaste. In February, Dr. Jamback visited the school, gave the pupils in grades 1, 2, and 3 a talk using posters and also had a demonstration on tooth brushing. I want to thank Dr. Jamback for taking time to go to the school and assist with this special Educational Program.

Tetanus and Diphtheria Boosters were given to pupils in grades 1, 4, and 8. The Department of Health supplied the vaccine. The Woodsville Nurses' Associa-

tion donated the needles and syringes and Dr. C. D. Eastman gave the shots at school. I want to thank Dr. Eastman; Mrs. Russell, Public Health Nurse; and Mrs. Eve Maccini, R.N., for their assistance at this clinic.

The annual Heaf tbc. skin tests were done in grades 1, 4 and 8.

Routine vision and hearing screening tests were completed and referrals made where necessary.

In the fall of 1964, I took an extension course at McIndoes. This was a fifteen week, evening course made available through the University of Vermont.

Four professional meetings were attended during the year.

I wish to thank Mr. Savoy and his teaching staff, the parents and pupils for their continued interest in and support of the School Health Program.

I especially want to thank Mr. Bennett for the co-operation and assistance given me through the years and wish him many years of happy retirement.

Respectfully submitted,

MURIEL LaMOTT, R.N.
